THINGS TO CONSIDER

BEFORE YOU MOVE

HOT SUMMERS

Expect warm weather from May through September. Pools, shade trees, and covered patios are popular for a reason.

RAPID GROWTH

Our area is growing quickly, which means more traffic during peak times and busy new developments.

PROPERTY TAXES

Property taxes in Texas are higher than some states, so it's important to budget accordingly.

HOA COMMUNITIES

Many neighborhoods have HOAs that help maintain amenities and community standards.

LONGER DRIVES

Depending on where you live, some destinations may require a longer drive.

HURRICANE PREPAREDNESS

We may get strong storms. Having a plan and good insurance brings peace of mind.
